Dear Charlotte,

**A warm and loving greeting from St. Anne's Provincialate!**

*Thank You for your kindness*

*"Love and kindness are never wasted. They always make a difference.  
They bless the one who receives them, and they bless you, the giver." Barbara de Angelis*

Dear Charlotte, we are grateful to you for your generous contribution of **Rs. 4,75,750.00 (Four Lakh seventy five thousand seven hundred fifty only)** which is realised on **22<sup>th</sup> July 2022**, having the receipt no. **3746** this contribution will be utilized for the welfare of Ma Niketan children.

Hope and believe all is well with you and you are keeping in good health. We too have very busy time here with the children, and they are engaged by morning shift and afternoon shifts of the school and with their studies.

I would like to share with you a success story of Poonam, very bright student and has a great ambition in life to come up and achieve her goal, she has no one in the world today, her mother ran away when she was 7 years old, leaving Poonam with her sickly father who had no earning, no home, and finally she was admitted in Ma Niketan, after some years her sickly father too dies due to Tuberculosis.

And at this crucial situation of her life sisters stood at her side and consoled her and encouraged her to stand up in life. She grew up with wisdom and knowledge, and now we are happy to inform you dear friends that, she studied very hard and gave her best and came out with flying colours, she scored 74.20% in 10<sup>th</sup> standard and now she is continuing her higher studies in Commerce stream.

Love and kind gestures of yours never go wasted, they always make difference. Thank you for making difference in the life of hundreds of children like Poonam, who have no one to support them.

I highly appreciate your generous contributions towards the wellbeing of our children here, and supporting us to carry on the good work.

With much love and prayers,

Yours gratefully
