

# THANK YOU

Dear friend,

I write these few words to express my love towards you. Hope you are fine and healthy by the grace of our loving God.

I am Miss. Nikita Sachin Pagarre. I am staying in Ma-Niketan for last two years. I have finished my first year Bachelor of Arts and I am studying in Second Year Bachelor of Arts. I am doing my studies by reading the text books and practising the exercises given in the book. I am interested in doing Event Management. During this COVID-19 period I am protecting myself from all the harm. Every day I am wearing mask and sanitizing my hands.

Thank you so much for helping me for education. You will never know how grateful I am for all that you have done for me. I will never forget your good deeds. I am so lucky to have you in my life, know that you are always there in my prayers.

Yours sincerely

Nikita Sachin Pagarre
